A week of multi-discipline sports!

Modern Pentathlon Camp

Monday 9 October – Friday 13 October 2017

This camp is for children aged 8 – 18 years, from complete beginners to experienced athletes. Sessions will include swimming, running, fencing, laser and conditioning and will be set at an appropriate level for participants, depending on their age and experience.

- 08.45 – 16.00
- Cost £160

Laser Run competition

Saturday 14 October 2017

Laser Run involves shooting and running, with the first person to cross the line the winner. Each run is preceded by a shoot.

- The University of Stirling's first ever staging of this event, which forms part of the Modern Pentathlon Olympic programme
- 09.30 – 13.00: heat timings will depend on your category and event entry number
- Cost £7

Biathlon competition

Sunday 15 October 2017

Modern biathlon involves swimming and running, and is a great starting point for anyone wishing to get involved in an exciting, multi-discipline sporting environment.

- What's involved? A timed swim, followed by a separate timed run. Points are awarded for each discipline and the athlete with the most combined points wins.
- Swim heats start at 15.00, run heats start at 17.00
- Cost £7

To book, contact sports.development@stir.ac.uk
or call 01786 466900.

Competitions are open to all abilities, adult and child –
you must be aged 8 or over, and be able to swim
