Aberdeen Course – Trish Prise: [trishprise@aol.com](mailto:trishprise@aol.com)

## Details:

### ➤ Pre-Course Requisites

Following completion of the course, should the candidate then wish to work with children there will be a requirement for them to complete the following. Candidates may attend the course in advance of completing the following, however certification is only confirmed once these have been completed.

- Attendance on a Children 1<sup>st</sup> “In Safe Hands” course within 3 months of completion of the Laser Shoot course
- A recognised St Andrew’s Ambulance First Aid qualification (minimum of a three hour course)
- Any candidate wishing to work with Children in a regulated activity will also be required to be a PVG scheme member or have their current scheme membership updated for work with Scottish Pentathlon within the Hubs network

### ➤ Course Details

The one day course will provide the attendee with a Pentathlon GB Laser Shoot Coaching Qualification.

The course will include:

- The initial course
- Followed by a two hour coaching assessment once candidates have completed a four month probation period and volunteered at a competition on the Laser Shooting Range
- A comprehensive course booklet and pen drive will also be included

## Cost:

- **Cost of the one day course to obtain a Pentathlon GB Laser Shoot Coaching Qualification is normally £60, however Scottish Pentathlon will support the costs of the course therefore the actual cost to each candidate will be £25.00.**
- **The cost will include all elements of the one day course, the assessment and resources.**
